Ticket Information for Students

Do this
Sunday through Thursday
Tickets for Home Games

If you already have a ticket to this week’s home game and plan to attend:

1. Check to make sure that access to the game has been placed on your Action Card no later than 5 p.m. on Thursday by going to actcard.ua.edu and using the same login as your MyBama account to access the My Football Ticket tab.
2. You should see a balance of “one” on your account.
3. If you don’t see a balance of one, call 205-348-2288 immediately.

Remember:
Use your ticket! Students who do not use tickets assigned to them three or more times during the season will forfeit the ability to buy postseason tickets this year and will not be able to purchase regular or postseason tickets for fall 2010.

If you already have a ticket to this week’s home game and want to transfer your ticket to the ticket bank or to another UA student:

1. Check to make sure that access to the game has been placed on your Action Card no later than 5 p.m. on Thursday by going to actcard.ua.edu and using the same login as your MyBama account to access the My Football Ticket tab. Call 205-348-2288 if you do not show a balance of one.
2. While you are on actcard.ua.edu, click on My Football Tickets and follow the instructions to transfer a ticket to a specific student or donate it to the ticket bank.
3. If you transfer your ticket to another UA student, both you and the student you are transferring the ticket to will receive an email that the balance has been transferred.
4. The student who receives the ticket – from you or the ticket bank – must go to actcard.ua.edu to confirm that his/her account has a balance of “one.”

Remember:
• You are the only person who can transfer or donate a ticket that is listed in your name!
• You will need the name and crimson email account of the student you are transferring the ticket to. Both name and email are case-sensitive, so make sure you use the name as it appears on the Action Card.
• You can transfer a ticket to another student until the end of the third quarter of the game. If you have not used, donated or transferred your ticket by the end of the third quarter, you will receive a penalty.
• Make sure your ticket is used! Students who do not use, donate or transfer tickets assigned to them three or more times during the season will forfeit the right to purchase postseason tickets for this year and will not be able to purchase regular season or postseason tickets for fall 2010.

If you already have a ticket to this week’s home game and want to upgrade it to general admission for a non-UA student:

1. Check to make sure that access to the game has been placed on your Action Card no later than 5 p.m. on Thursday by going to actcard.ua.edu and using the same login as your MyBama account to access the My Football Ticket tab.
2. Go to the Ticket Office in Coleman Coliseum no later than 5 p.m. on Thursday. You will need to bring your Action Card and the money required to upgrade the ticket.
3. Access to the game will be removed from your Action Card, and you will be issued a paper ticket.

Remember:
• You are the only person who can upgrade a ticket that is listed in your name.
• Students who upgrade their season tickets four or more times during the season forfeit the right to purchase postseason tickets this season.
• The upgrade cost varies with each game. You can pay with Visa, MasterCard, Discover, cash or check. No Bama Cash.

If you do not have a ticket to this week’s home game:

1. Go to actcard.ua.edu, using the same login as your MyBama account.
2. Click on My Football Ticket and follow the instructions to place your name on the waiting list for the ticket bank. Place your name on the waiting list as early in the week as possible, to maximize your opportunity to receive a ticket.
3. Make sure you can be reached by email until at least the end of the third quarter of the game.
4. If you are notified that you have received a ticket, you must attend the game or immediately go online to actcard.ua.edu and donate the ticket back to the ticket bank.
5. If you don’t go to the game or donate the ticket, you will receive a penalty.
6. Make sure your ticket is used! Students who do not use, donate or transfer tickets assigned to them three or more times during the season will forfeit the right to purchase postseason tickets for this year and will not be able to purchase regular season or postseason tickets for fall 2010. This includes students who receive a ticket from another student or who receive a ticket through the ticket bank.

Remember:
• You must place your name on the waiting list for each home game. The list becomes available at 6 a.m. on the Sunday before a home game.
• If you get a ticket, you will receive a penalty if you do not attend the game or immediately donate the ticket to the ticket bank or transfer the ticket to another UA student.
